Bada pyaara future hone wala hai humara

Ye kuch cheezien hai jo tu padh aur unke baare main kabhi
zyada sochna mat thike – pyaarsa assurance hai ki main aakhir
tak rahunga iska

1

Never think that I would leave you and go to someone else. My whole heart belongs only to you now. I don't want to go anywhere else. You are my home... with you I feel calm, and honestly, only with you do I find peace 

2

You feel like I cry again and again and that it bothers you... but babe that's not the point. The point isn't that I cry — the point is that I only cry in front of you. I don't cry in front of anyone else... not my mom, not my dad, not even my friends. The way I open up and cry in front of you, I don't do that with anyone. I'm not trying to irritate you — I just want to feel light in front of you. I just want to be vulnerable with you. All I want at that moment is for you to talk to me, understand me, and calm me down — that's all.

3

Babe, mujhe kabhi tere past se problem nahi thi... lekin jab hum saath hoke bhi tera mann kahin aur hota tha na woh mujhe bohot dard deta tha. Phir tu badal gayi — mujhse kam baat, aur duniya ke aur log zyada interesting lagne lage. Phir bhi maine kabhi tujhe chhodne ka nahi socha. Jab tune kaha tha "Live your life and let me live mine... love is not meant for me" tab bhi main ruka raha. Isliye kyuki tujhe bta dena chahata tha ki tu pyaar ke layak hai — kyunki jo pyaar tu deserve karti hai woh tujhe pura mile aur isliye main aaj bhi yahin hoon aur aakhir tak rahunga ∞

4

Bas ek baat yaad rakhna — mujhse kabhi kuch chhupana mat. Jo bhi ho, seedha aake mujhe keh dena, chahe mujhe gussa aaye ya kuch bhi. Mere saamne hamesha crystal clear rehna. Main tujhe haar baat pyaar se samjhaunga aur bas tujhe paas leke tere saare bure din hamesha ke liye mita dunga.

5

Aur ek baat bholna mat — jab tak main zinda hoon, jab tak main raakh nahi ban jaata, koi bhi mujhe tujhse door nahi kar sakta. Main hamesha tere saath khada rahunga — chahe tera career ho ya zindagi ka koi aur sapna, main hamesha tujhe cheer karunga — kabhi muskurahat ke saath, kabhi happy tears ke saath — lekin tera haath kabhi nahi chhodunga.

6

Aur ek aakhri baat baacha — main tere ghar walon ki dil se respect karta hoon. Kabhi yeh mat sochna ke main unke baare mein bura sochta hoon ya tujhe unse alag karna chahta hoon. Lekin jab baat tujhpe aati hai na, tujhe jis tarah treat kiya jaata hai woh mujhe pasand nahi aata aur kabhi aayega bhi nahi. Khair ispe zyada baat nahi, bas itna jaan le — zyada mat soch. Main tere saath hoon hamesha. Aani ho ek saath sansaar karaycha aahe aaplyala... he visru nokos hmm 🤔❤️ Aur jaise Khan saab ne kaha hai "Sachha pyaar woh nahi jo beech mein chhod de... sachha pyaar woh hai jo aakhir tak haath pakad ke chale" aur waise bhi... AGAR KISI CHEEZ KO DIL SE CHAHO, TOH POORI KAYNAAT TUMHE USSE MILANE KI KOSHISH MEIN LAG JAATI HAI, CAPTAIN SAAB. 🌸🌟

**So... are you ready to spend
forever with me? ❤️**

One last question before we celebrate...
